Arduino based obstacle avoidance robot

Report Name	Outline Project Specification
Author (User Id)	Daniel Atkinson (daa9)
Supervisor	Dave Barnes (abc)
Module	CS39440
Date	October 22, 2012
Revision	0.1
Status	Draft

1 Project description

2 Work to be tackled

3 Project deliverables

4 Initial bibliography

This template uses BibTeX in a LaTeX document to manage the bibliography. To include citations, you can use the \cite command, for example [**?**] [**?**] [**?**] [**?**]. The bibliographic tools are not a requirement in this document, but you are welcome to use them.
